Dear Kids,

This "BE A SAFETY SUPERHERO" coloring book is a fun way to learn some basic safety rules. Because you cannot always be in the company of an adult, some of you may be faced with threats to your safety. For this reason, this coloring book is designed to provide you with useful tips and advice. I encourage you to participate in child safety activities with your family and friends.

We are always working to protect you while you're at home and at school. Everyone can play a role in making sure that all the children of California are safe.

Please take the time to learn the safety tips contained in this coloring book. Remember that 9-1-1 is there for you, but only call if it's an emergency.

Have fun, be good and be safe.
